## Information

- Disposable product for easy and quick handling, increased hygien and reduced risk of contamination.
- Medicine measure suitable for dispensing both liquid and dry medications (tablets)
- Graduated each milliliter up to 30 milliliter. We believe an exact scale is very important when you distribute medicine to a patient.
- High quality Medicine measure made of recyclable PP.
- Classified as a class 1M product. Class 1M means that there is a measurement function with a scale on the product. All 1M products must have Notified Body mark and CE mark on the product. Our Notified Body number 0413 implies that our Notified Body, Intertek, inspects our calibration system of the medicine cups and controls that we follow the manufacturing rules of the product according to the Medical Device regulations.
- Made of polypropylene

- Accessories:
  - Writeble lids made of PE, ref. No. 00264
  - Tablet crusher ref. No. 300280
